Many of our fellow NOBs and former teachers, now well into their retirement days, or else those still serving the institutions within India and abroad, have often been dreaming of getting back, for a short while though, to the campus that shaped their destinies and eventually the careers that they pursued.

It's time now to realise such dreams. NVS has decided to extend invitations to all such individuals keen on revisiting Netarhat and willing to spend some days with Netarhat family and in teaching the students the subject (s) they have taught as teachers or handled the same in some other capacity – post-Netarhat.

Those desirous of availing of such opportunities during the academic session: 2014-15 are requested to submit their Eol in a format given below.

1. Name:

3. Subject (s) proposed for teaching at Netarhat:
4. *State briefly, teaching career and subject(s) taught:
