Dear Friends,

Sub : NVS proposal for seeking donations – in cash or in kind – for betterment of Netarhat Vidyalaya, our alma mater

For long we NOBs (Netarhat Old Boys) have been expressing our sentiments, wishes and keenness to repay debts to our alma mater in a manner and with a view to see it growing constantly on an ascending path. Various NOBA chapters collectively and many a time, individually, in the past, have enthusiastically responded to such 'calls' coming from within. And notwithstanding some constraints, going by the government rules concerning our school then, efforts were made in doing our bit in the shape of say, providing the school with few Desk top Computers, Books for its library, Furniture, Musical instruments, Scholarships and Prizes for Board exam toppers, and the like.

We write this to share information that since October, 2010 when the Jharkhand state government duly granted autonomous status to Netarhat Vidyalaya it's being directly administered under the care of Netarhat Vidyalaya Samiti (NVS), the scope for expanding its wings is much wider than ever before (Ref: www.netarhatvidyalaya.com and www.netarhatvidyalaya.in / NVS). The state government's budgetary support, however, continues to be flowing in to it to defray expenses on Establishments, infrastructure and new projects.

Now, therefore, it's for the additional essential projects basically with a view to supplement the efforts that are already in place, we propose the NOBs to step in to give some momentum to all this. As of now, schemes relating to repair, renovation of old Ashram buildings, construction of additional rooms for library adjoining the existing one, repair of buildings of bungalow nos. 1,2, 3 and 5 and Hospital building and developing their campuses and many other such repair/ new jobs are at hand and are getting funded by State government. And similarly, a proposal for installation of standalone solar power plants at Netarhat School is also at hand.

The reconstituted body of NVS Executive Committee had its meeting on 31st December, 2013 at Netarhat School premises where we took stock of everything – status of its infrastructure facilities, academics, games and sports and other related activities that school has traditionally been going ahead with; and the constraints, if any, felt therein by the school management now. Based on our assessment, we may now like to flag off a few such issues / items where NOBA Chapters / NOBs may decide to donate / contribute generously – in cash or in kind- to give a further push to the ongoing efforts.

We may like to apprise you that Rule 20:clause (ii): sub clause (chha) of NVS Niyamawali (www.netarhatvidyalaya.com / NVS- Manual) provides for seeking donations/grants, gifts etc from, among others, the ex-students, the NOBs; and frame procedures, conditions etc for utilization thereof in the interest of the school. It's here that we are seeking to enlist your support.

:: 2 ::

Ahead of the forthcoming Diamond Jubilee celebrations in November, 2014, we feel the following items, with the help of donations/ grants from NOBs, can be restored to be put to use for their assigned purposes. They are:

- Chalet: repair, renovation and furnishing of rooms on ground and first floors;
- Chalet- Annexe Rooms: repair, renovation and furnishing of each of 4 rooms;
- Chalet- Outhouse: reconstruction to provide for kitchen and adjoining rooms for accommodating kitchen staff and their families;
- Hard Court for Lawn Tennis – 2 Nos. – reconstruction and their fencing;
- Equipment for Gymnasium ; Indoor Badminton Court;
- Erecting a pavilion and galleries at the Oval ground;
- Laying of carpet grass all over the Oval ground;
- Erecting a pavilion and galleries at the Hockey ground.

Should NOBA Chapter(s) / NOBs decide to donate for any(or more or all) of the above items, we also propose that the donor(s) may have the liberty of suggesting Name(s) of their choice(s) to the rooms they decide to fund for repair, renovation, furnishing etc. Likewise, for new constructions, as suggested, on arenas of Lawn Tennis, Oval ground and Hockey ground we propose to extend the privilege of assigning names to them to those individuals or agencies funding those projects.

Donations in cash can be remitted to: SB A/c of Netarhat Vidyalaya Samiti no. 499810210000002 with Bank of India, Secretariat Branch, HEC, Dhurwa, Ranchi-834004.

In addition, NOBA Chapter(s) / NOBs may also consider contributing in kind, say, Books for school library, Lab equipment, Desk Top / Lap Top Computers, Gym equipment, Playing kits, Musical instruments, Paintings etc etc.

We have thus attempted to place before you a kind of thinking at our end on the issues noted here. However, all NOBA chapters and NOBs are most welcome to come up with suggestions in this regard. After all, we all may agree that the common goal of all of us is to see our alma mater moves on to the next level to carve out a distinctive place for itself, nationally and internationally, in the very near future.

Best wishes and regard,

Yours Sincerely

(N Bhagat)

(KS Prasad)

(JB Tubid)

(NN Sinha)

(BS Mallik)

To:

1. All NOBA Chapters in India and abroad
2. NOBs - to be informed through their respective NOBA chapters
